Judy,

Well, another year of our friendship has whizzed by. H olly, it hardly seems possible that we only met last year, does it? I can't really express what our friendship has meant to me. Judy, but I guess you know anyhow. I don't know what I would have done if I didn't have your shoulder to cry on.

Of course, I can't think of you, Judy, without thinking of John too. You know, you're the only couple I know who've gone together all through high school. You make a darling couple and I want to wish you the best of luck always.

Stay happy and see here next year, Judy.

Always,  
Dawn

## *Foreward*

As the school year of 1960-61 has passed, classes and activities have contributed to a pattern. It is very special to both students and faculty because the patterns of enjoyment, loneliness, concentration, excitement, and anticipation are what will be reminisced.

Each new section unfolds a pattern of progress: from the simplest compass to the most modern scientific equipment and from the general store to the most modern skyscraper. As each section reveals a certain pattern, so the book as a whole is one by which we will remember the important happenings of the year.

The purpose is to present to students, parents and faculty an accurate picture of the year's work and enjoyment. In addition, it should help those involved to find the pattern for their life and aid them in making it in accordance with the best of their ability.

*Academic*

*Concentration on work seems to stop the typewriter from making those mistakes*

## *Office Slaves*

The Commercial Department consists of pure work. Sometimes the Balance Sheet is off a penny and the typewriter keeps making mistakes. However, these courses give the student practice in his future career and help him gain poise

*Practice develops poise and insures success in any field.*

*With the aid of new modern microphones, the students in our school have an opportunity to hear themselves speak in other languages*

## *We Speak - Hablamos - Vocamus - Parlons*

Both Latin and Spanish were taught this year with the addition of French for the first year. Two year courses are offered in each with the possibility of three if enough student interest is shown. A background in a foreign language gives the student a wider degree of understanding and also helps him in the mastery of the English language.

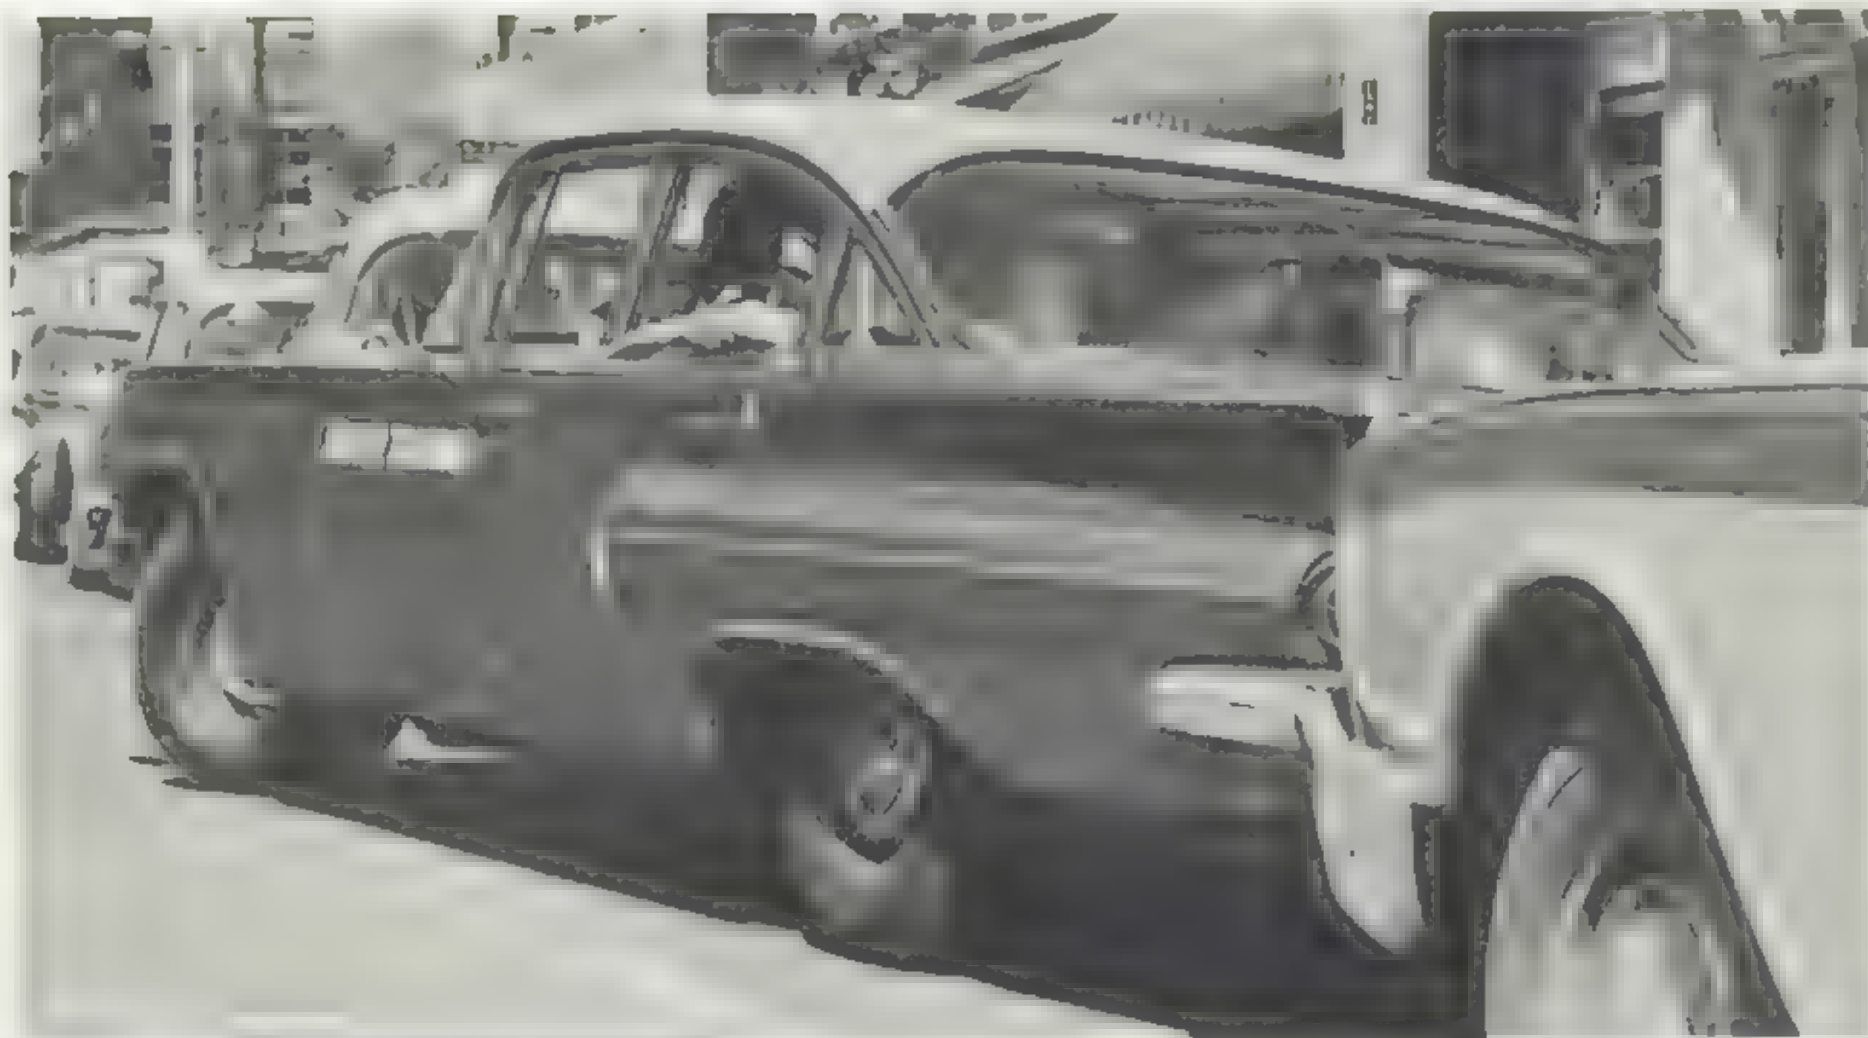

One semester of speech is required in the Sophomore year with Advanced Speech available for those interested. In these classes, not only making yourself understood, but also listening and comprehending what others say is essential. Speaking in front of an audience helps overcome shyness and gives the student poise

*Listening is important.*

*Understanding others is easy sometimes.*

*Parallel parking sometimes gives the instructor a "bundle of nerves."*

## *So This Is Vacation!*

Summertime finds many new occupations. Better drivers are developed through Driver Training. Students learn how to use a standard shift as well as an automatic. Every skill in driving must be nearly perfected to pass

the course. Some have jobs and gain a great deal in the art of getting along with all kinds of people. Vacation is time for improving as well as having fun.

*Looks like hard work.*

*Here's one way to enjoy your lunch.*

## *Mad Musicians*

*Pep band increases the enthusiasm at one of our pep assemblies.*

"Introducing the Grand Haven Marching Band" will be words that few of us will forget. This year's marching band has been one of the most outstanding that Grand Haven has ever seen. The band has done an outstanding job in presenting half-time shows during football season.

The choir and orchestra have participated in many of our assemblies and done splendid jobs. The harmonizing of human voices was never so strong and great as in this year's choir as well as the pride felt by all the students when any of the musical departments—band, orchestra, or choir—are mentioned. Congratulations, musicians, for a job well done.

*About three minutes before the half, the band clears the stands and prepares to present the half-time show.*

*This Physics experiment must prove something!*

*These problems don't look easy and they aren't easy.*

## *Beakers and Beetles*

*Dissecting cats does prove to be interesting.*

With the rest of the nation, Grand Haven High School has been moving its science department ahead to meet the demands of this modern world. Being one of the most complete in Michigan, our Science department offers every phase of the science world for every taste and ability. During recent years there has been a definite increase in the percent of chemistry and physics students, showing the shifting pattern of education. Here, as elsewhere, the students seem to be adapting themselves well to this changing pattern.

## *Be Calm*

*There must be a way!*

## *Be Cool*

*Concentration is the key to success.*

*Not just anyone can draw a circle

## *Be Collected*

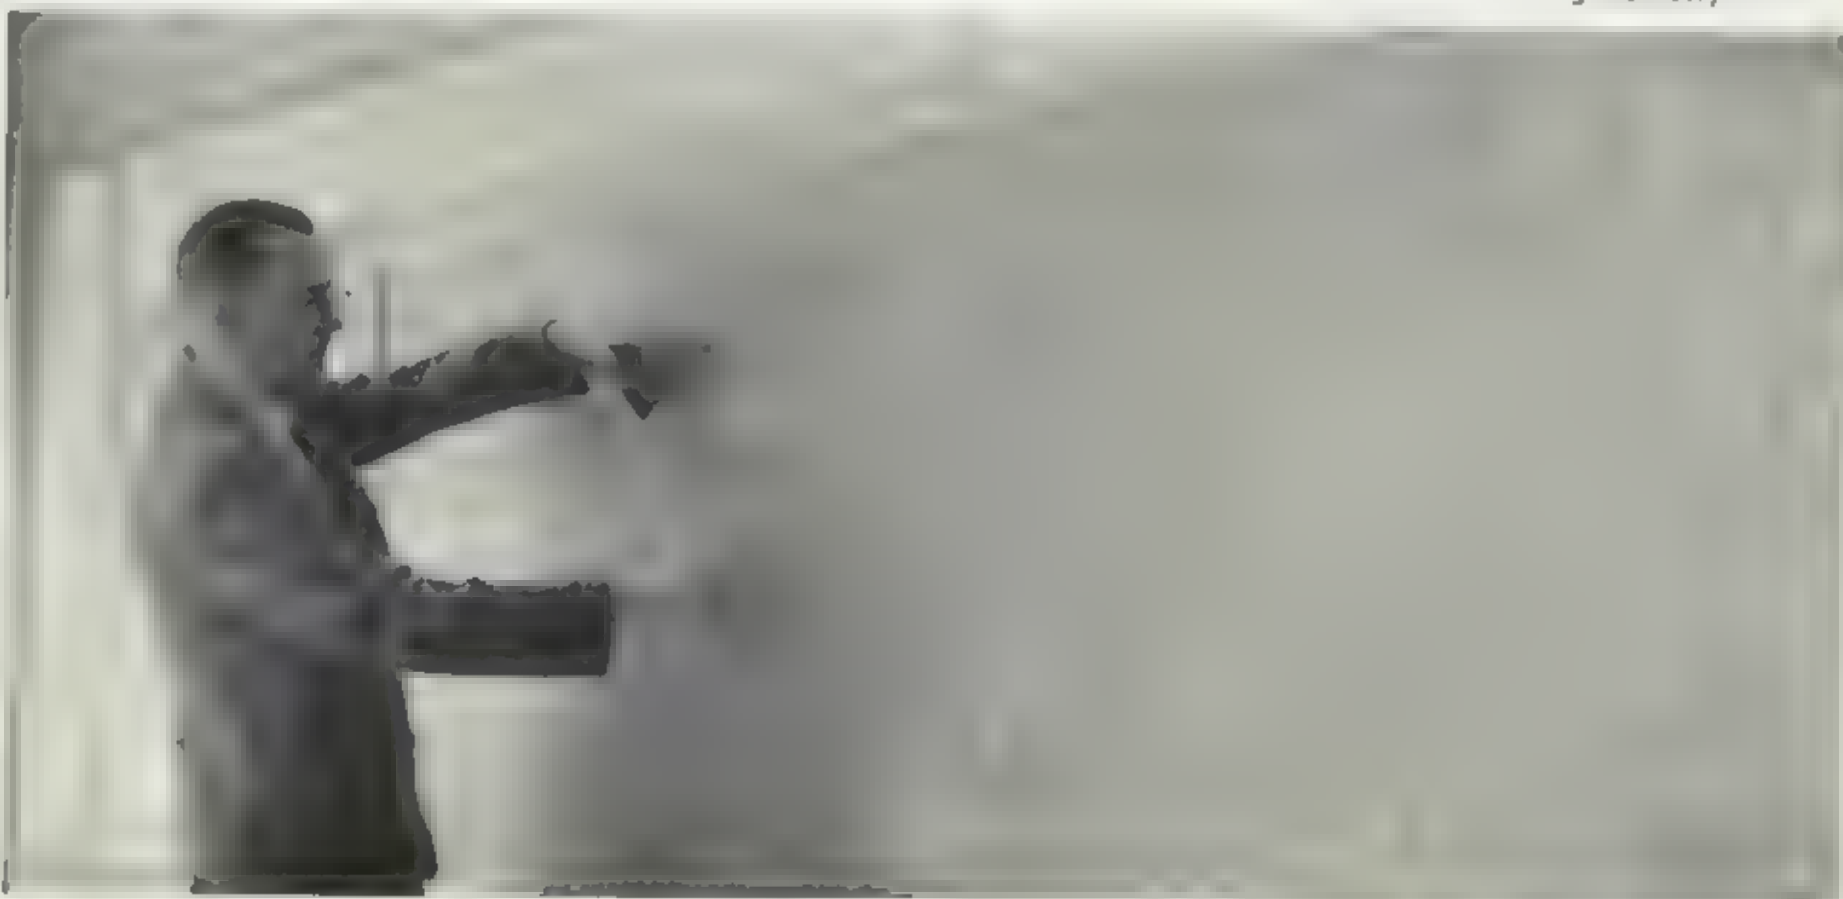

*From Plane Geometry ...*

## *Crazy Numbers*

Grand Haven Senior High offers a complete selection of courses in mathematics. Any student interested in this field can leave our school with as complete and adequate an education in the science of numbers, as possible

Starting with Algebra I and Plane Geometry, and after completing Algebra II and III the student realizes that math is a never ending subject. Infinity is the correct word

*... To Trigonometry*

*Let's get that man!*

## *Aching Back Department*

Physical Education is a vigorous but enjoyable class. Throughout the year, the classes participate in many different sports, Basketball, football, volleyball, kick soccer, baseball and swimming.

It helps to develop sportsmanship, co-ordination and co-operation.

## *Racket and Respite*

*The food must smell good.*

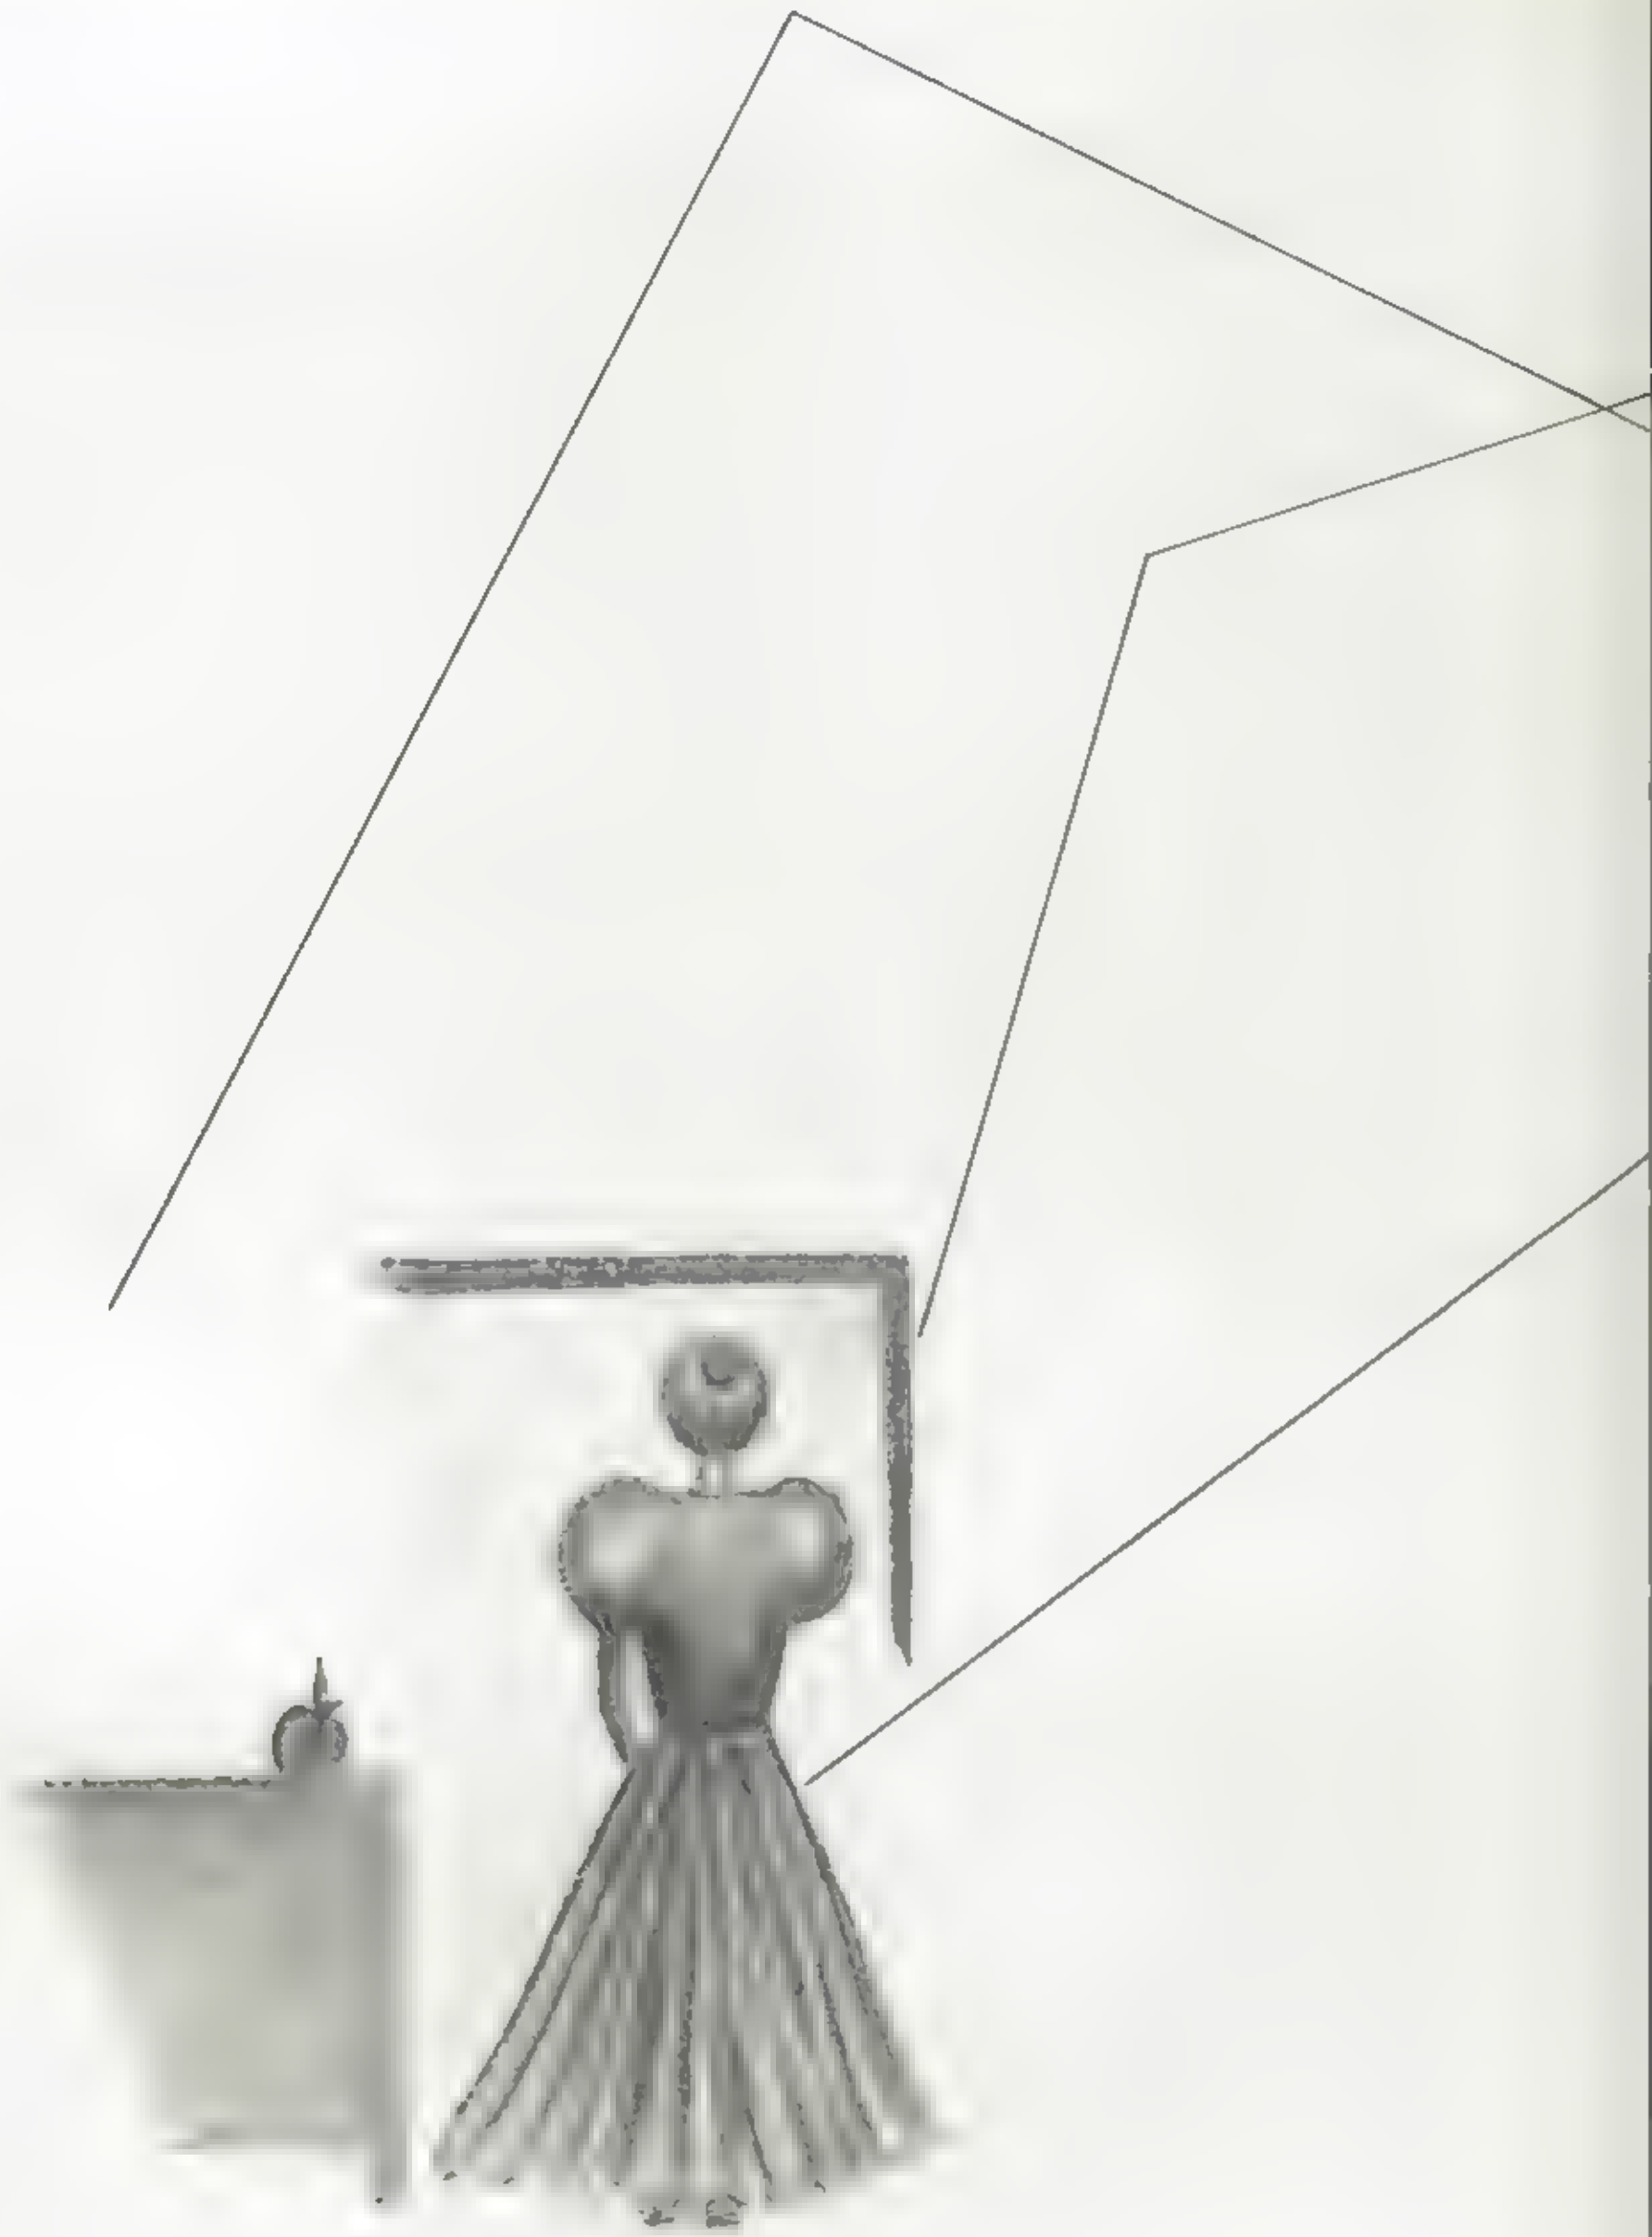

*Looks good enough to eat.*

Singing, eating, talking, studying, gossiping, and giggling makes up the friendly atmosphere of fourth and fifth lunch hours. Fourth hour Mr. Fulkerson keeps hungry students in or out of line. Fifth hour, Mr. Constant takes over this job and keeps hungry students from cutting in line.

*Mr. Constant and his court enjoy after dinner conversation.*

## *Cheer Them Along the Way*

Dave Bazany—Regular linebacker for two years and had a great start on offense this year. He had the misfortune of twisting his knee when on his way to a sure touchdown against St Joseph. This was a great loss to the team in the fact that Dave is a fierce competitor, a great team player and morale booster for the team.

Gerald Brown—Senior halfback who went out for football for the first time this year. A hard and willing worker with plenty of grit. He was a small player who made his presence felt and was a great help to the team.

Chuck Bryant—A two year player who saw some service at offensive guard this year. He gave us depth at this position.

Norm Dault—A two year regular on both offense and defense. A steady performer who always turned in a good game.

Richard Fisher—Played very well when called upon. He received a painful rib injury midway through the season that hampered his efforts.

James Gosen—Jim came along very fast this year to win a spot at offensive tackle. He also played a great deal on the defensive team.

## *Onward to Victory*

Jack Grimes — Performed very well both on offense and defense. He played an outstanding defensive game against Holland.

Bob Kent—Bob made the switch from quarterback to right half and became our leading ground gainer. He was an outstanding defensive halfback, a real competitor, and fine football player.

Larry Kieft—Another in a long line of fine centers to perform for Grand Haven. A very good linebacker, Larry won respect from rival coaches and players for his spirited play. He acted as co-captain throughout the year.

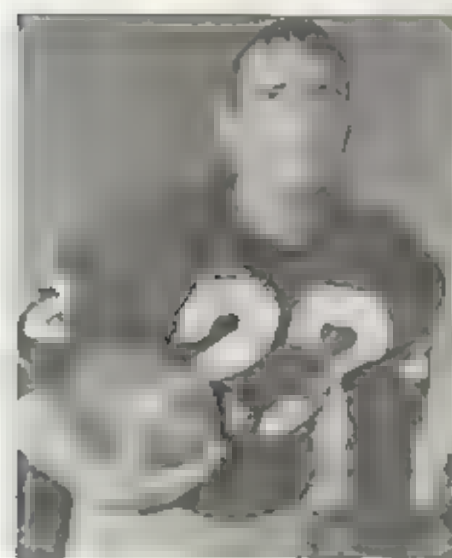

**Len Munch**—Suffered a gunshot wound in the leg before the year opened. This hampered his play in the early part of the season. As the season progressed he played more and more, particularly at the offensive tackle position.

**Bill Norris**—A first year player who learned much as the season progressed. He played a lot of defense during scrimmage sessions.

**John Sluka**—Regular left half for two years—A real triple threat halfback. John injured a thigh muscle in the first game that bothered him the rest of the year. Good speed, great change of pace and fine coordination make for an excellent all around athlete.

## *May We Win Again Today*

**Ron Tipsword**—Defensive halfback, offensive fullback or left half. A great little guy with a heart as big as his body. He proves the point you don't have to be big to be good at this "man's game". A real asset to the team and we are sorry he graduates.

**Roger Wheeler**—Not big for an end but very fast and a good ball handler. One of the best blockers and tacklers on the team. He received all state honorable mention.

**Walt Yonker**—A first year player used exclusively on defense. Big, strong and surprisingly fast for his size, "Walt" enjoyed football and we were glad to have him on the squad.

**Dave Schroeder**—A rugged two year regular who played guard on offense and in the line on defense. Dave was best when the going was the toughest.

**Lee Wilds**—(no picture) Lee injured his knee the second day of practice and was through for the year. He still helped in many ways although he had been figured on for quarterback.

Dave watches intensely from the bench.

*Kent breaks away for a touchdown.*

*Kieft and Kent put the stopper on that play*

## *Cheer for the Blue and Gold*

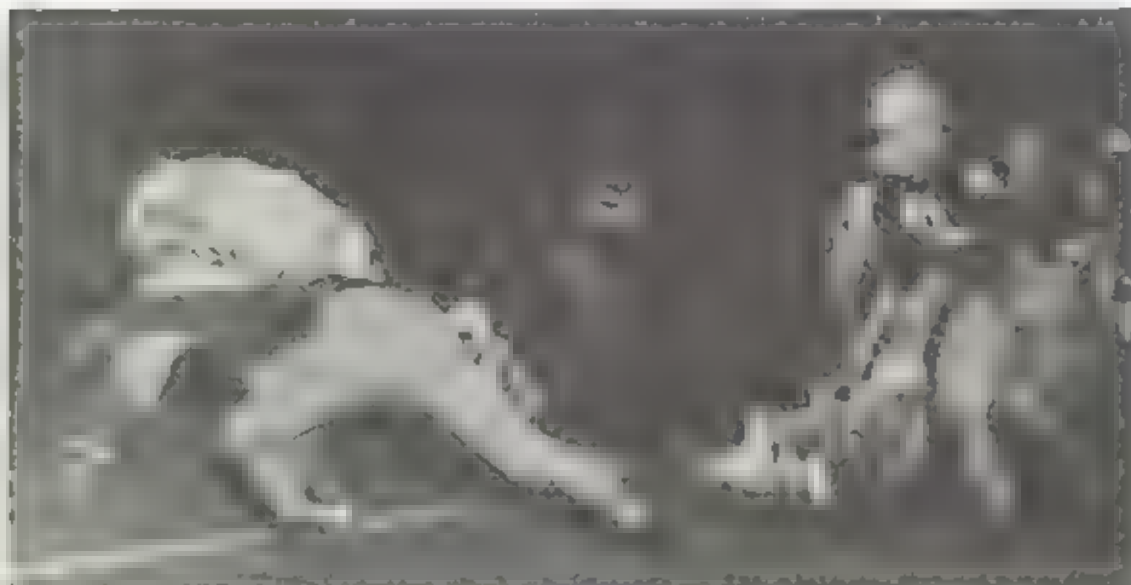

*Football or ballet?*

Under the excellent supervision of Coaches Gene Rothi, Don Constant, and Assistant Coach Bill Boonstra, the 1960-1961 Buccaneers posted a 7-1-1 record

In the first game of the season the Buccaneers threw the Muskegon Catholic jinx to the winds and defeated them 20-13. Again the Bucs marched on to victory as they defeated the Benton Harbor Tigers 26-13. Traveling to St. Joe the following week our hopes were somewhat drowned by the loss of our star fullback Dave Bazany and a 13-13 tie

Once again we were up against our rival Holland. Determined to keep the wooden shoes, we swept to glory in an upset over the Dutchmen,

*This man won't go far!*

*Coach Rothi gives his opinion.*

*The boys work hard at eating, too—they  
downed 52 pizzas and 61 quarts of  
soft drinks!*

*Kent finds an opening through the middle*

*You'll have to jump a little higher to block  
that pass, boys*

14-7. In the next game we easily defeated Grand Rapids Creston 38-13, using second and third string players throughout the second half. This made our homecoming a very enjoyable event. The following week we battled the Muskegon Heights Tigers to a 9-6 victory. Our team continued to trounce the opposition; this time defeating Godwin Heights by a score of 20-6.

With only two games to play, the Buccaneers felt sure of a winning season, but in the rain and mud of East's Memorial Field, all the dreams of an unbeaten season were left buried as we bowed to the East Grand Rapids Pioneers, 12-0. In our final game, with all the seniors seeing plenty of action, we handed Grand Rapids Ottawa an 18-0 defeat.

## *Long May They Reign Supreme*

*Young finds the going tough!*

*Sluka rounds the end*

Don't let go now.

The Little Bucs, under the coaching of Hal Henrickson and Dick Fulkerson, posted a 5-3 record for the 1960 football season.

After bowing to the Catholic Crusaders 20-6, the Little Bucs came back to defeat Benton Harbor 13-12, showing the importance of the extra point.

Both coaches agree that the best game of the season was against the Muskegon Little Reds, which we won 19-12. The highlight of the season came a week later when the Little Bucs defeated Godwin 31-7, clinching a winning season.

Both defense and offense did an outstanding job throughout the season, holding the opposition to 111 points while the offense piled up 143 points.

The varsity basketball team of 1960-1961 compiled the best record in eleven years with an 8-7 regular season mark, and a 9-8 overall record. In the first year of the Lake Michigan Athletic Conference, the Bucs placed a good second with three big wins over Muskegon, Benton Harbor and Holland.

The Buccaneers beat every team on the schedule at least once with the exception of Muskegon Heights. Success was due to the good shooting ability and good depth. They climaxed the season with a win over Muskegon Catholic and assured Grand Haven of a winning season. This year's basketball team provided us with some top notch entertainment that we won't forget.

The 1960-61 Little Bucs had a winning season with a 8-7 record. This makes the sixth straight winning season for the Little Bucs

The team started out slow with two losses, but then came on fast. After whipping Coopersville we lost to Muskegon but came on strong with two wins over Fremont and Zeeland. In their first meeting the squad lost to Benton Harbor, but triumphed in their second meeting. The Little Bucs had two fine victories over the Little Dutch, and climaxed the season with a victory over Muskegon Catholic thus giving the team a winning season

Larry Prelesnik and Rog Nietering were high scorers for the season and were brought up to the Big Bucs for the tournaments. They should be potential starters for next year's varsity.

With a winning season of 8-7, the Little Bucs should form a good nucleus for next year's varsity.

The 1960-61 swimming team completed the most successful year in the six-year history of the sport by compiling a 10-3 dual meet record.

Coach Dick Dart was very pleased with the progress of the team which resulted in the breaking of school records in eight of the eleven events.

Bob VanKolken, our leading scorer and senior co-captain, finished out a brilliant varsity swimming career with his name attached to eight school and pool records. Bob broke records in the 100, 200, and 400-yard freestyle events.

Other records broken this year were by senior Dick Mitchell in the individual medley, junior Steve Vink in

the orthodox Breast Stroke, junior Bob Van Lente in the backstroke, and senior Dave Merwin combined with Van Lente, Vink, and Van Kolken to break the medley relay mark.

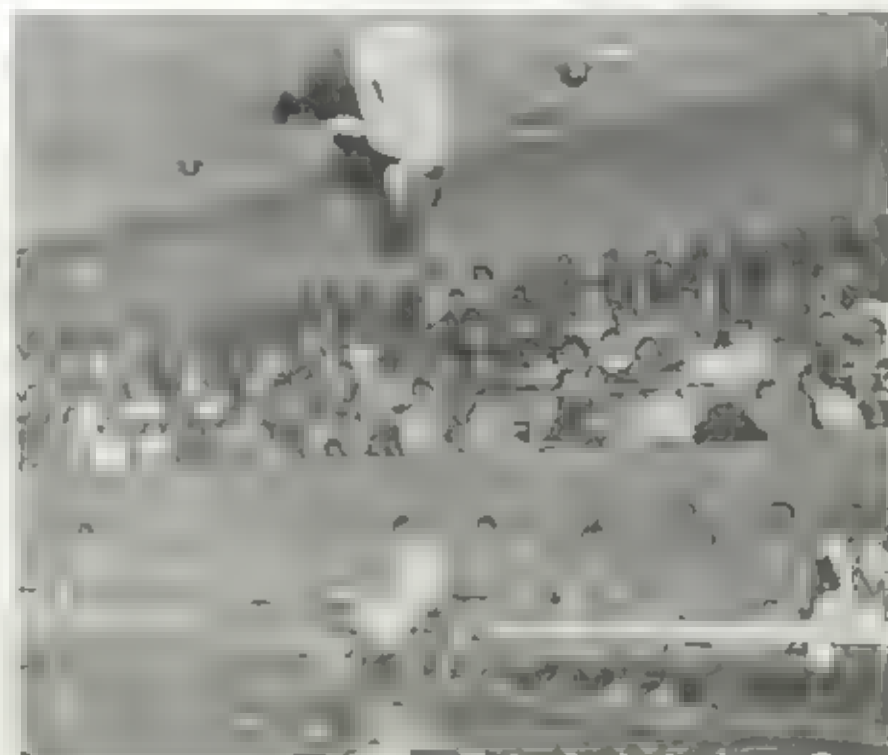

Bob Kent, our other senior co-captain, teamed up with Jerry Alward to form a top diving combination. They took a first in diving competition at the Cereal Bowl Relays. Bob got Grand Haven's only two points in the Class A finals by taking fifth place.

The climax of the season came when the Buc tankers knocked off Class B state champion, East Grand Rapids, here marking the first triumph over East in twelve tries.

On October 14 our

Tri-Hi-Y is a Christian organization consisting of sixty girls. Our purpose is "to create, maintain, and extend, throughout the home, school, and community, high standards of Christian character." "Pure thoughts, pure words, and pure actions" is our motto.

For projects this year we sold mums for Homecoming and football programs at all the home games. At Thanksgiving, we prepared baskets of food for needy families by having a scavenger hunt for canned goods. We sang carols to shut-ins at Christmas time. Also, to earn money for the Grand Valley College, we played a basketball game against the Hi-Y.

Madame Du Bonnet recalls the past to Percival Browne.

*Hands clasp in a good luck totem.*

"The Boy Friend" is a musical comedy by Sandy Wilson. It is a fun-filled satire of the "roaring 20's". The setting is the French Riviera where Polly Browne is enrolled in Madame Dubonnet's Finishing School. Here she finds romance with Tony which leads to a happy ending.

Since it was the first musical put on at Grand Haven, we were overjoyed with the response we received. Because of the popularity of the show, it was held for four nights.

## *Organize . . . Produce . . . Sell*

The aim of Junior Achievement is to get eleventh and twelfth grade students interested in industry and to learn more about it. On March 7, 1961, open-house was held at the Gardner-Denver plant for stockholders

in all the companies. Every Tuesday night at 7:00 P.M. they meet at the Gardner-Denver company. Here they produce their product and discuss methods of selling

Philip Mason

The orchestra, under the able direction of Mr. Philip Mason, had a very successful year. The orchestra was a part of the District Band and Orchestra Festival as well as the Solo and Ensemble Festival. Several programs including the annual Christmas concert and assembly, a Kiwanis Travelogue, the Department and Spring concerts and various other school assemblies, were carried out very well. A number of the members provided the music for the All-School Musical, "The Boy Friend."

As a group, the members sold fruit cakes which will help pay for a possible trip to Ann Arbor for the annual "May Festival."

## *Sing . . . Sing . . . Sing*

This year's Choir membership increased greatly over last year. It was scheduled during the fifth hour for the first time and many students could sing during their lunch hour.

The Choir participated in the Thanksgiving, Christmas and Easter assemblies.

They participated in the West Michigan Choral Festival at Muskegon and also in Grand Haven Music Department's Christmas and Spring Concerts. In addition to these they sang for the Christmas programs

of the Kiwanis and Rotary Clubs. Also they had a concert with the Junior High Choir in which the Port City Chorus from Muskegon was featured.

The Choir is planning to buy new robes. The money they received from the all-school musical, "The Boy-friend", will be used for this purpose.

This year's officers are: Carl Wiltse, President; Dave Nietering, Vice President; Sandy Francis, Secretary; Rog North, Treasurer.

## *Y. F. C. Builds Character*

The purpose of Youth For Christ Club is to present Christ as Savior to the students in high school. The meetings every week are always filled with fun provided by music, speakers, and films. The projects during the year were a skating party, car wash, and an Easter hymn sing. These all helped toward the spring banquet. The banquet is always the highlight of the year for YFC'ers
